CROSS TRAINING - Cross Training is our Sunday School program for children ages 4 years through 4th grade. In the same way that athletes cross train to effectively work-out their physical bodies, our children are CROSS training to build their bible knowledge. We dig deep into each bible story spending three to four weeks attending workshops such as cooking, science, games, creative writing, art and storytelling. For preschoolers age 2-3, we have a **TOTS IN TRAINING** class with age appropriate stories, activities and fun! **SUBMERGE** is our discussion based curriculum just for our 5th and 6th Graders. They meet in our newly renovated Den! These programs take place from 10:10 am to 11:10 am each Sunday morning during the school year.

GODLY PLAY (AGES 4 YEARS THROUGH KINDERGARTEN) - Godly Play is a play-based worship program for our youngest kids. Each week, preschoolers & kindergartners are able to practice *preparing for worship, praying and listening to God, watching a bible story come to life, and wondering together*. They end their time together with an opportunity to use wooden, hand-crafted bible story materials, giving them hands-on experience with beloved bible stories. Children begin in the worship service with their families and are dismissed after the children's message to Godly Play. *This program is offered during both Worship Services.*

WORSHIP OUR WAY (GRADES 1ST THROUGH 6TH) - WOW is a worship service for kids patterned after our corporate worship setting. Kids who attend WOW practice many of the same worship elements of a worship service in a fun, kid-centered, worship environment. This program gives kids an opportunity to worship their way, while preparing for what we hope will be a lifetime of worship attendance. Children begin in the worship service with their families and are dismissed after the children's message to WOW. *This program is offered during the 9:00 am and 11:15 am worship services.*
